

## WIN 6 MONTHS FREE RADIO ADVERTISING

One prize will be awarded. The winner, being the nominated business, charity or community group, will be selected at random from all eligible entries.

The prize consists of six months' free airtime on Cross Counties Radio (92FM and 95.4FM), including the production of one 30 second advertisement produced by our in-house team.

The advertisement will be broadcast at various times throughout the six month period alongside advertisements from other advertising partners.

Specific broadcast times and frequency cannot be guaranteed. Cross Counties Radio reserves the right to decline or amend advertising content that is unsuitable for broadcast.

The prize is non-transferable, non-exchangeable and no cash alternative will be offered. The decision of Cross Counties Radio is final.

This competition starts on the 19th June and ends 10th July 2026.
